Dr. Shane Son recently opened his new practice in Family Medicine in West Olympia. He is a graduate of St. Peter Family Medicine residency program, Olympia, WA, and served as Chief Resident during his senior year of residency. Dr. Son was awarded outstanding Chief Resident by the faculty members during his graduation. A graduate of Cebu Institute of Medicine, Philippines, Dr. Son, his wife, and two children decided to make Olympia their home in 2001. Prior to going into private practice, Dr. Son spent the past four years with SeaMar Clinic.

Dr. Son is sharing his new office with his wife, Dr. Judith Ogan Son, who has an established Internal Medicine practice in Olympia. They look forward to seeing patients at their new office location.
