

# *Our Mission*

Above all else, we are committed to the care and improvement of the lives of those we serve.

# *Our Vision*

We will be the healthcare organization of choice — where families prefer to receive care, employees prefer to work, and health care professionals prefer to practice. We will achieve this through service, operational, and clinical excellence:

*Every Person — Every Encounter — Every Time!*

# *Our Values*

Accountability • Collaboration • Compassion  
Excellence • Integrity • Respect
